Brian Nadel named new DE-STA-CO president

Auburn Hills, Mich.—DE-STA-CO is pleased to announce that Brian Nadel has been appointed to the position of president of the company.

Mr. Nadel was named to the post by Thomas Giacomini, president and CEO of Dover Industrial Products, a segment within Dover Corporation. He replaces Pat Carroll, who will lead the Environmental Solutions Group, a newly formed organization within Dover; bringing together Heil, Marathon, and Bayne Thinline.

Mr. Nadel most recently served as president of Marathon Equipment Co., another member of the Dover family. Prior to Marathon, he served as general manager for the Paladin Heavy Construction business.

Before joining Dover, Mr. Nadel was the general manager of Parker Hannifin's Hydraulic Gear Pump Division and also spent several years with TRW Automotive. He holds a Bachelor of Science in Business from the University of Denver.

He has two daughters: Veronica, who is a junior at the College of Charleston and Rachel, who is a high school senior. Mr. Nadel will be relocating to Michigan in the near future.

About DE-STA-CO

DE-STA-CO, a Dover Company, is a worldwide leader in the innovation, design, manufacture and support of clamping, gripping, indexing, transfer and robotic tooling solutions for workplace and automation needs.

The company has two major business units: Automation and Workholding, and has operations in all major continents. The company is committed to the Team DE-STA-CO philosophy, a progressive approach to doing business that focuses on providing consistent, standard-setting service and products to every customer, regardless of geographic location.
